

Avoid the prying eyes of nosy neighbours and passers-by with composite fences and screens by NewTechWood.

Whether it's your home or a restaurant alfresco dining area, we have a composite fencing solution that will provide the perfect stylish privacy boundary.

There are various ways to frame and fix your fencing systems. The Ultra-Easy system comes with its own Anthracite post components.

In Western Australia, we have sourced high quality aluminium post and channel profiles to suit most applications. Or you may choose to use your own method for creating your fence or screen.

Ultra-Easy Fencing Post System
